PRESS RELEASE

Re: 24TH Virtual Annual Conference of America Nepal Medical Foundation

Dear Members, Friends, and Well-Wishers,

Due to the COVID-19 pandemic, ANMF was unable to organize its regular annual conference. ANMF is thus holding a virtual annual conference this year. This will be web based via **ZOOM**, and part of the conference will be live on **Facebook**. It will be held on [Saturday, July 11, 2020, 8pm-10:30pm EST.](#)

ANMF did a survey among its members and majority of the members were in favor of the virtual meeting.

The meeting will be shorter than usual. Members are encouraged to RSVP; an email has been sent to all members regarding the program. The specific agendas will be mailed soon.

The first half of the meeting will include ratification of the decision of the board meeting of 5/17/2020, regarding new board and executive team formations. It will also include annual financial report.

The second half of the meeting will be live on Facebook and is available to the public as well, at [Facebook.com/anmfUS](https://www.facebook.com/anmfUS). This portion of the meeting will also focus on fundraising to support ANMF's current and future projects in Nepal.

Dr Bhagawan Koirala has accepted our invitation and will be joining via Zoom. There will be a performance by Singer Raju Lama, Singer/Spiritual Leader Ani Choying, and more being decided. We will have our own members perform as well.

Short videos will be broadcasted live highlighting ANMF's work. New life members will also be recognized during the meeting.

We encourage all members to actively participate. We also invite the public to join us via Facebook and get to know our organization and the work we have done in Nepal.

We look forward to seeing you on [Saturday, July 11, 2020, 8pm-1030pm EST.](#)
