This meeting was called to order by President Binod Khadka.

Recent earthquake in remote western Nepal update by Binod Khadka.

ANMF Nepal conducted a meeting in the morning of Nov 4, 2023, to review an impact of recent earthquake in Nepal. ANMF Nepal request ANMF US for help in term of fund and possible telemedicine as need arises once more information available from the ground.

Facebook fundraising stated earlier today. Goal is \$100, 000. Please spread the word. We also sent email communication to Health Foundation Nepal and KPAL for collaboration and to promote fund raising.

Press release draft was edited.

Meeting designated executive committee as earthquake task force to act on information as it becomes available from the ground and to update the board and get approval, as needed. Will get the web ballot to board decision.

Set aside fund of \$25,000 in case we need to fund urgently related to earthquake while we raise fund for this. Will get the web ballot to board decision.

Discussion on ANMF role to act and provide help at the time disasters and how can we effectively do this.

Meeting adjourned at 9:05 PM. The next meeting will be held via zoom on November 19,2023.
